Dear Parents,

We, The Tremulou Western Aesthetic Institute proudly announce that this is the Leading School of Western Music in the Island which has offered a magnificent service in valued teaching and sharing knowledge in western music with the children of residencies of Piliyandala and its surrounding neighbourhood for the past 25 years. Now your children have the opportunity to acquire a complete study of western music all around under a well experienced and qualified teachers.

A number of students in this institute who gain distinction passes at the O/L Examination has sky rocketed during the past decade. The vast teaching experience, the teachers of this institute has gained from these students is tremendous. Hence we highly appreciate the fullest co.operation extended by all the students who studied at Tremulou Western Aesthetic Institute.

The services rendered by Tremulou Western Aesthetic Institute to your children are as follows.

- Knowledge on the subject Western Music and specialization ability on practical exercises for children from year one to five.
- Knowledge on the subject Western Music and specialization ability on practical exercises for students from year six to O/L and A/L.
- Providing opportunities to sit (Trinity Guildhall) London examinations and grant them a thorough training for the purpose.
- Availability of very expensive Yamaha/Casio electronic organs and the Piano for their practical exercises.
- Availability of Theory, Text, and Work Books relevant to the subject exclusively prepared for the students of this Institute.

We kindly request you to draw your attention to the following facts and grant your fullest co operation to this institute to enable us to execute the above services completely.

- All the students should attend classes on scheduled days. Another day will not be allocated to those who get absent.
- Classes will not be conducted on all Poya days and Sundays but will be held on all other holidays.
- Students will get an additional class for months where five class days are available. Holidays will be given in lieu of the additional days if the institution needs so.
- If any student miss classes for three months for any reason, it is presumed that he/she has left the institute.
- If any student intends to rejoin to the institute, he/she should do the payments as a newcomer.
